ICT25 / Login and go to your proposal

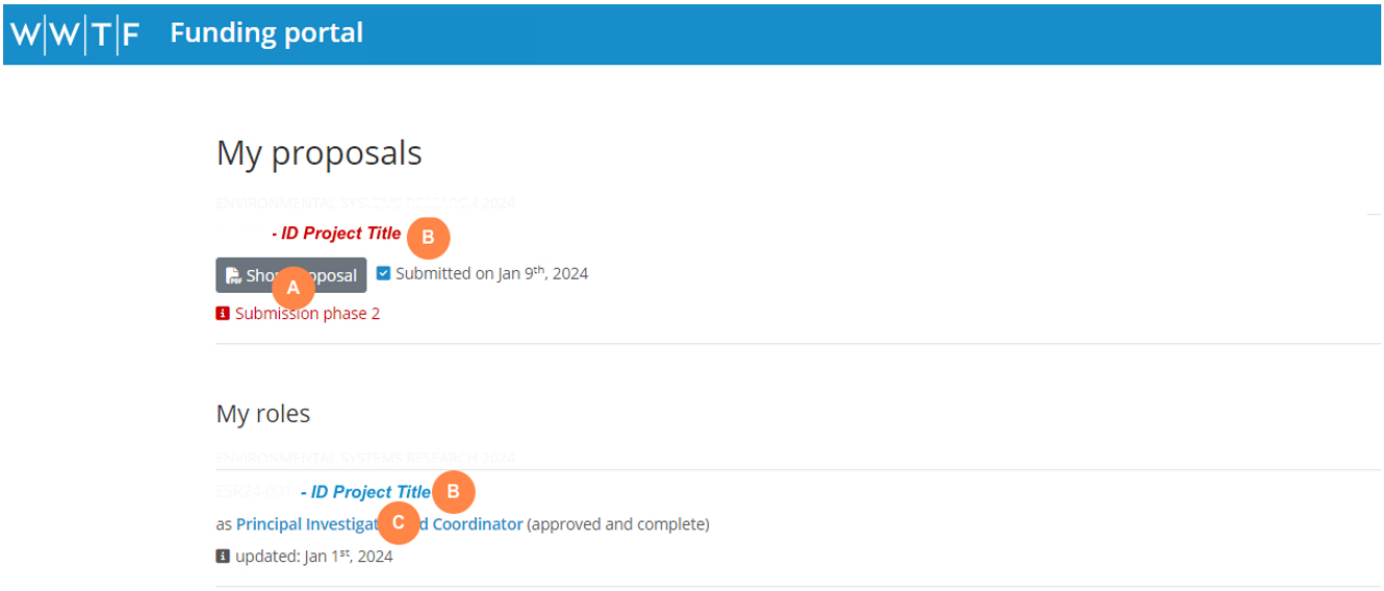

About the Funding Portal

- All entries are saved automatically. In case a “Save” button is not visible, please be assured that your data will have automatically been saved.
- The system constantly validates and saves data in background. If it appears that your entries have not been accepted, please refresh the website. This should resolve the problem and might help when encountering other issues with the system
- WWTF aims to expand the system’s features in due time to streamline the online application process. We ask for your patience if not all potential features are ready at this point in time.
- All core team members (i.e., coordinating PI and co-PIs) can contribute to and edit the proposal before its submission. However, only one person can edit the proposal in the Funding Portal at any time.

> Please note that only the coordinating PI (PI&C) can submit the proposal.
