LS25 / Structure of the proposal

The content and structure of the proposal are defined and specified in the Submission Guideline, which will be made available in March 2025. From March, applicants can also register and create a proposal in the WWTF Funding Portal to find out more details. Applicants invited to submit a full proposal will be provided with an additional Submission Guide-line specifically for the second phase. An overview of the main parts of the short and full proposal is provided below:

Short Proposal	**Full proposal**
Scientific abstract	Lay summary and scientific abstract
Project description (about 3 pages): outline of the main scientific research idea and approach	Project description (about 12-15 pages): elaboration on the research idea and approach (template is provided)
Project core team: CVs and roles in project (mandatory template is provided)	Project team and further collaboration partners: CVs for all core team members (mandatory template is provided) and roles in project of all team members
Budget overview	Detailed budget
Brief statement regarding ethical aspects	Ethical approval OR detailed description of ethical aspects, including feasibility and timeline for ethical approval
Signatures: from the authorising persons at the institutions of the core team members	Signatures: from the authorising persons at all participating institutions

> Please note that the short proposal is intended for a jury panel with expertise covering a range of proposals, while the full proposal is primarily aimed at experts in the specific topics of the proposal.
