

# Signatures

Applications require the signatures of the authorized person(s) at the home/host institutions located in Vienna.

- Please consult the institutional research services regarding the person mandated to sign the proposals and plan sufficient time to obtain their signature
- Enter the name of the authorized person in the online form. This information will be included in the PDF to be signed.
- Download the PDF using the link “You can generate the signature sheet here”.
- Signatures may be provided in various formats
  - Add a scanned or physical signature, and upload the form; or
  - Insert an electronic signature (e.g., A-Trust, Handysignatur) and upload the form. Please note that electronically signed PDFs cannot be merged into a single document.
