

ESS26 - Resilience and Crises / Joint Projects with partners in Lower Austria

WWTF welcomes **Joint Project (JP) applications** between Viennese and Lower Austrian universities and research institutions in this call.

The aims of this initiative are to promote research cooperation between Lower Austria and Vienna on equal terms and to strengthen cooperation of research institutions in the Vienna region.

- The PI&C must be affiliated to a research institution in Vienna.
- At least one co-PI must be affiliated to a research institution in Lower Austria.
- The share of the overall funding allocated to research institutions in Lower Austria must be >20% and <50%. In case that the Lower Austrian share is $\leq 20\%$, the project is considered as a regular WWTF project and is not eligible for the higher maximum funding amount.
- The Lower Austrian share is financed by the Province of Lower Austria. Hence, the Lower Austrian project partner must comply with the [Lower Austrian Culture Promotion Act 1996 and the directives](#) issued on the basis thereof. Further details will be provided in the funding contract.
- Partners outside Vienna or Lower Austria are also possible and may request up to 20% (i.e., <20%) of the total budget. However, the share of the budget allocated to partner(s) in Vienna must be at least 50% (i.e., $\geq 50\%$).
- Regional branches of Viennese Institutions (e.g., BOKU, VetMed, AIT) located in Lower Austria are considered as Vienna-based in the context of WWTF funding activities.

Revision #5
