

LS25 / Structure of the Call

This call follows a two-stage selection process, consisting of a short proposal and full proposal phase.

- **Short proposals:** Applicants provide a short description of the project's background, objectives and methodology, along with a budget overview.

Short proposal deadline: May 6th, 2025, 2pm CET

- **Full proposals:** Proposals selected by the jury are invited to submit an extended proposal that includes a detailed project budget. Applicants will have the opportunity to respond in writing to the external reviews of the full proposal.

Full proposal deadline: October 7th, 2025, 2pm CET

Applicant response phase: February 9th – 20th, 2026 (*Applicants invited to submit a full proposal will be notified of exact dates in late January*)
