LS26 / Full Proposal / Proposal submission

Once all symbols in all chapters are marked by green checkmarks, the proposal can be submitted. The “Submit ” button is at the bottom of the “Signatures” chapter.

The PI&C will receive an automatic confirmation email when the Funding Portal receives the completed submission. Please check your emails after clicking the submit button.

> If you do not receive a confirmation email, please get in touch with the Call Managers.

> You can access your submitted proposal as PDF on the page “My Proposals and Roles”.

> No changes are possible after the project has been submitted. After the indicated deadline, submission is no longer possible. Unsubmitted proposals will be excluded from the ensuing evaluation process.
