

Creating a new proposal

Either the speaker or co-speaker can create the proposal.

1. Go to the call in the WWTF Funding Portal:
<https://fundingportal.wwtf.at/calls/ONEHEALTH26/>.
2. Click “Create new proposal”.
3. Once created, you will find this proposal under “My Proposals & Roles” in the top menu.

You can create multiple proposals. You can also delete proposals at any time. Proposals that are not submitted will be deleted automatically after the submission deadline.

Please note that each researcher may be involved in a maximum of **two proposals** in this call, and as speaker or co-speaker in only **one proposal**. Should a researcher be involved in more than two proposals, they will be contacted to choose from which proposal(s) they wish to withdraw.
