Reporting Doctoral College on Digital Humanism (DocHum)

- Guidelines for Reporting

Guidelines for Reporting

Tab "Basic Information"

No input required

Tab "Scientific Report"

Fill out the respective text boxes for ...

- Highlights of the reporting period
- Challenges during the reporting period
- Open Science Activities
- Zusammenfassung auf Deutsch

Upload the template as PDF once filed out. Include additional files as annex to the PDF.

Tab "Personnel & Institutions"

Partner Institutions: please add only official partners of the doc.hum college here (e.g. based on a cooperation agreement).

Staff: includes personnel paid by the doctoral college (admin staff and PhDs), no faculty members to be entered here.

Tab "Research Output"

Please enter items under the following categories:

- **Publications**
- **Career steps** (very important once a PhD theses is concluded)
- **New grants and awards**
- **New academic cooperation:** other than official partner of the doc.hum college. Only include cooperation of the doc.hum college itself, not of individuals affiliated with the doc.hum college.
- **Industrial outreach**
- **Public outreach**

Tab "Costs"

- Fill out as indicated.
- Please consider our detailed regulations regarding costs.

Personnel costs: include PhDs, PIs and admin staff; no faculty members. Include costs contributed (aka inkinds) as defined in the budget of the proposal.
