How can I update my CV?

> Problem: I want to update my CV!

1. Go to MY PROFILE, delete the existing CV and upload the new one.
2. Go to ROLE (how to get there, see What is ""Role" & "Profile" and how to I get to my "Role" (as PI or Co-PI)?
3. Click "Refresh from Profile" (green button)

As a result, the new CV is loaded into your proposal.
